

LINDFIELD GARDENS TRAIL

11th June 2017

in aid of

St Peters and St James Hospice

In June 2016 Sue and Jim Stockwell opened their garden in Denmans Lane in aid of St Peters and St James Hospice. During the afternoon some 300 people visited and over £2,000 was raised in aid of this worthy charity.

For 2017 a bigger event is planned, with a number of gardens opening together during the afternoon of Sunday 11th June 2017 in a Lindfield Gardens Trail. Already the owners of some 6 gardens are planning to join the scheme - many of these are quite small but all have something interesting to offer and all the owners are keen to talk about their gardens and projects. If you would like to support the event by opening your own garden, donating plants or cakes, or can help on the day, please contact the organiser:-
