

LHS Sundries Centre:End of Season Stock Clearance

ORDER FORM

We continue to have issues accessing the Shed in Spring Lane and many members don't like using the unadopted road, so we're extending our ordering service for September. Rather than coming down to Spring Lane in person, just send us your order and we'll deliver, (FREE OF CHARGE).

As an example, of the value we offer, we are selling 2kg packs Growmore fertiliser for £3, ie £1.50 per Kg; garden centres are offering the same product at around £3.20 per Kg.

Stocks of many items have already sold out, so don't delay order today

Just fill in the number of item in the box next to the item

We have also put together some smaller packages of some items that might be new for you. Rather than buying a large bag of coir, we've done the hard work for you and made up some small bags of coir mixed in with some slow-release feed that would be great if you're planting tulips in pots (£3.50 for 20ltr).

And for those of you that want to top dress your lawns, we have large bags of horticultural sharp sand (£5.70 for 25 ltrs), but if you only want a small amount we're also selling 5ltrs for £1.15.....useful for top dressing pots or opening out clay soil.

Just complete the order form above and send it to sundrycentre@gmail.com or call Gill Jones on 01444 483040
