SHOW RULES

1. All classes are open to any exhibitors unless otherwise stated.
2. The Committee reserves the right to refuse any entry and, in the event of such refusal, it is not required to give any reason or explanation.
3. No exhibitor may make more than one entry in any one class.
4. Where a number or quantity of plants, flowers, fruit or vegetables is specified in the schedule for a class, that exact quantity must be shown and an exhibit will be disqualified for any excess or deficiency. A judge must write on the entry card "Not according to schedule" (NAS) and add a factual note as to why it is marked so. Single exhibits in an NAS collection cannot then be considered for any other award (NAS).
If, before an exhibit is judged, any excess or deficiency is noticed the Show Superintendent, Show Secretary or Show Steward ONLY may either give the exhibitor (if at hand) an opportunity to correct the mistake or correct it himself/herself, but the officials shall not be under any obligation to do so and any disqualification resulting from an excess or deficiency shall be the exhibitor's responsibility
5. Prizes may be withheld. Prizes may not be awarded to exhibits considered to be below standard.
6. The decision of the judges shall be final on the relative merits of the exhibits, but the Committee reserves the right to refer any points in dispute to the Show Superintendent for a decision.
7. Any protest must be made in writing and delivered to the Show Secretary within one hour of the opening of the Show to the public.
8. After judging has taken place, no exhibit nor part of an exhibit may be altered or removed until the end of the show, except by special permission of the Show Superintendent.
9. All exhibits, personal property, etc. shall be at the risk of the exhibitors and the Society shall not be liable for compensation for loss or damage from any cause whatsoever. Should a show for any cause not be held, no exhibitor shall have any claim on the Society. Exhibitors will be wholly responsible for all claims made by their own employees under the Common Law or under any statute for compensation arising out of or in the course of such employment for injury or otherwise. The Society has no responsibility to any but its own employees.

10. Cups and trophies will be awarded at the end of each show. However, winners must leave the trophies for engraving. The exhibitor to whom a cup or other trophy is awarded must return it to the Show Secretary the following year prior to the appropriate show.
Winning exhibitors who are NOT society members will not be given temporary possession of cups or trophies.
11. Unless otherwise stated in the schedule, the prize money in all classes will be £1.00 for First, 60p for Second and 40p for Third. The prize for the best exhibits in the Flower, Vegetable (excluding collections), Pot Plant, Fruit, Cookery and Handicraft classes is £1.00.
12. Where cups or trophies are awarded for most points, these will be awarded on the basis of: 1st:5 points, 2nd:3 points and 3rd:2 points. Collections, basket/trug and any special classes are excluded. A 'Best Exhibit' will be awarded a further 3 points. In the event of a tie for an award decided on points, the winner shall be the exhibitor gaining the highest total amount of prize money, including the best exhibit prize money, in the classes for which the equal number of points has been awarded.
13. Unless the schedule specifically states otherwise, any plant, flower, fruit or vegetable exhibited must be the property of the person in whose name it is entered and must have been grown by the exhibitor or been in his/her possession or cared for by him/her for at least two months prior to the date of the show.
In the case of a professional gardener entering produce from the garden in which he/she is employed the exhibits must be entered in the name of the employer.
14. In order to be satisfied that the conditions governing exhibits are fulfilled, the Committee reserves the right for its official representative to visit by appointment, before or after a show, the gardens/allotments from which plants, flowers, fruit or vegetables have been entered for exhibition
15. Unless otherwise stated in the schedule, two or more persons may not compete separately in the same class with produce from the same garden and/or allotment. They may however exhibit in joint

names. An exception to this rule however applies in pot plant classes where two or more persons may exhibit separately in the same class a different kind of pot plant to those other members of the same household, provided that the exhibitor is mainly responsible for the maintenance of the plant.

16. All exhibits should be correctly named. Errors in naming will not disqualify the entry but the judges should regard correctness and clearness of naming as telling in favour of an exhibit in a close competition. If the exhibitor does not know the name of any cultivar, the label should bear the words "name unknown".
17. Plates will be provided by the Society where appropriate and must be used when shown in the schedule. The Society's vases must be used for all Flower classes except where otherwise shown in the schedule.
18. Unless otherwise stated, the horticultural classes of the schedule will be conducted in accordance with the rules and standards contained in the RHS's 'The Horticultural Show Handbook 2016 edition' except where, under the schedule, they obviously do not apply
19. When staging an exhibit in 'any other vegetable' or 'any other fruit' classes the exhibitor should refer to the 'collections' staging numbers (see index) to ascertain the entry required. However, if the exhibit is not listed they should contact the Show Superintendent (or Show Secretary) to obtain a ruling on quantities required.
